

Breakout Groups for the AWWCA's 14th AGM

The following three groups will be repeated so that audience members may choose one group for Session 1 and another for Session 2.

Police Issues and Concerns

Leader: **Ken Moyle**

Additional Board Member: Ira Rosen

Professionals: **Sergeant Scott Moreton**

Come and meet with West Town Crime Manager Sgt. Scott Moreton. Scott will give a quick update on current issues in our community and is anxious to hear from you on your policing concerns and priorities.

Role of the AWWCA

Leader: **Jay Parlar**

Additional Board Member: **Kevin Russell**

What should the role and focus of the AWWCA be in the next few years? Your volunteer board of directors work with police, city bylaw staff, and city planning staff (zoning changes and committee of adjustment applications) and participate in community-engagement projects with McMaster University. What should our priorities be? What do you believe we should focus on?

McMaster Community:

President Patrick Deane; Vice-President, University Advancement, Mary Williams; and Associate Director Public Relations Gord Arbeau

Leader: John Wigle

Additional Board Member: Vinnie Welsh

Come and meet with President Patrick Deane and other senior staff. Dr. Deane will give an update on his letter to the McMaster Community, "Forward with Integrity," and looks forward to discussing McMaster community-engagement issues with you.

The role of the professionals:

In each of the two sessions, give a 15-minute presentation and answer questions.

The role of the leader:

1. After the professional's presentation, the leader will be ready to pose questions to get discussion going and will encourage audience members to make suggestions (with the expert addressing the validity of each suggestion).
2. Worthwhile suggestions will be noted by the leader on paper mounted on an easel.
3. After the meeting, the leader will provide a report on the points on the easel for e-mailing to members and posting on our website.

The role of the additional board member:

1. Take notes.
2. Support the leader.
