

## **Help Reduce Graffiti in Your Neighbourhood!**

Thanks to all who made the "Adopt-a-Box" program a success.

Help us to do it again!

The concept:

- Volunteer to adopt a Canada Post mailbox (red or grey).
- Your Co-ordinator will assign a mailbox near you, and provide you with training and removal supplies.
- Whenever graffiti appear on your box, remove it as quickly as possible.
- Councillor McHattie's office will provide updates on graffiti cleanup efforts.

Your participation in this program is greatly appreciated.
